BMZ CLAIMS RISING NUMBERS IN UK MARKET BMZ ENLARGES GERMAN LITHIUM-ION BATTERY PRODUCTION

Karlstein am Main, Germany, November 25th, 2022 – BMZ Group, a global specialist in lithium-ion battery manufacturing, is pleased to announce a significant rise in their UK business. In order to fulfill the rising demand, production capacities at the German Headquarters in Karlstein am Main has been enlarged.

At its German headquarters BMZ currently starts the production of 48 Volt (approx. 4.5 kWh) batteries dedicated to an UK e-mobility customer. A long-term agreement has enabled investment into the new automated production line with a manufacturing capacity of 1,000 battery packs per month to secure customer demands.

“It’s an important milestone in the BMZ business development in the UK. We are excited about opening new markets for BMZ, and we are working on other opportunities for how BMZ can support UK customers”, says Lukas Gazda, the company director of BMZ UK.

BMZ Group started one of its latest success stories by opening its UK subsidiary BMZ Innovation Group Ltd (BMZ UK) in Cambridge in December 2020. Since then, BMZ UK has closed binding agreements with new customers from the e-mobility, energy storage, medical and other portable batteries sector.

About BMZ Group:

BMZ Group is a global player in the development and production of cross-industry lithium-ion system solutions. It offers the complete value chain from the cell and the battery to second life and disposal. In addition to supplying markets such as medical, power- & gardentools as well as industrial applications, the BMZ Group sees itself primarily as THE GREEN ENERGY SYSTEM PROVIDER. With the production of home and industrial storage units for photovoltaic systems as well as batteries for electric mobility, BMZ manufactures the heart of the necessary infrastructure for the energy and transport turnaround. In view of the impending climate change and its consequences, the BMZ Group is thus fulfilling its social, economic and ecological responsibility. The Group is headquartered in Germany and has additional production facilities in China, Poland and the USA, as well as subsidiaries in Japan, the UK and France. In addition, there are research and development sites worldwide. More than 2,300 employees work for the BMZ Group.
